3. (Confidential - GLC) I advised Gerry Elliott, Staff Assistant to Representative Donald M. Fraser (D., Minn.), that we had taken up with the Director their request of yesterday for an Agency briefing on Cambodia for Congressman Fraser. I told him since the State Department and the Department of Defense have all the information the Agency has on Cambodia and have appeared before the Foreign Affairs Committee, the Director felt it would be inappropriate for the Agency to give personal briefings to members of the Committee. Elliott said he had informed Representative Fraser of our conversation yesterday and the Congressman had expected that we would not want to brief individual members, but wondered whether the Director would respond favorably to a request from Chairman Morgan if Fraser could persuade the Chairman to call the Director before the Foreign Affairs Committee. I told Elliott that, of course, I could make no commitment for the Director on this, but was certain the Director would give serious consideration to any request from Chairman Morgan and would cooperate to the extent possible under the circumstances.

4. (Internal Use Only - RJK) Delivered to the offices of Senators Edward Kennedy (D., Mass.), Frank Church (D., Idaho), George Aiken (R., Vt.), Stuart Symington (D., Mo.), Edmund Muskie (D., Maine), Mike Mansfield (D., Mont.), John Sherman Cooper (R., Ky.), George McGovern (D., S. Dak.), Charles Percy (R., Ill.), and Senator-elect John V. Tunney (D., Calif.) FBIS items in which their names were mentioned. Also delivered several FBIS items reflecting the statements of Senate Foreign Relations Committee members to Judith Morrison of the Committee staff.

5. (Secret - JGO) Met with Mr. Frank Slatinshek, House Armed Services Committee staff, and brought him up to date on our meeting yesterday with Mr. Braswell et al concerning the handling of the Agency budget. Mr. Slatinshek appeared to be in complete agreement that no changes be adopted. I also brought him up to date on Cienfuegos, Soviet missile activities, and the Middle East and Southeast Asia current intelligence items.
